

## AIR CARGO EUROPE REPORT

ATA Leaders - Filip Vande Capelle, Jennifer Woods and Jeff Segers

May 9– 12, 2017 ATA represented at the Transport Logistics Trade Show in Munich, Germany. This trade show features service providers for all aspects of cargo transport.

The ATA was fortunate enough to team up with the Brussels Airport Authority for the event. Filip Vande Cappelle, Jeff Segers and Jennifer Woods were on hand to network and answer questions on animal transportation and the ATA.

May 10th, Jennifer and Jeff presented two consecutive sessions on the ATA and Animal Welfare considerations for animals in transit, with focus on live animal handling facilities at airports. Great buzz was generated around the ATA and our efforts on improvement and accountability in relation to animal welfare during transit.

ATA will be teaming up for more cargo expo with Brussels Airport in Miami, FL November 1 - 3, 2017.
